PAST REVIEWS

- 👍 *Mr Lee is very patient and experienced as well as his teaching is very systematic, making Maths a lot easier to understand. I managed to get A within 2 months.*
- 👍 *The checklists prepared by Mr Lee were very helpful in doing the final revision. I was surprised I could amazingly jump 3 grades from D to A after joining his class.*
- 👍 *I learnt from Mr Lee various methods and tricks to answer different types of questions. My grade improved from E to A, which was much beyond my expectation.*
